SLOVAKIA

Bratislava

Welcome to the heart of Europe!

Bratislava is the capital of Slovakia and, with a population of about 460,000, also the country's largest city. Bratislava is in southwestern Slovakia on both banks of the Danube River. Bordering Austria and Hungary, it is the only national capital that borders two independent countries.

Bratislava is the political, cultural, and economic centre of Slovakia. It is the seat of the Slovak president, the parliament, and the Slovak Executive. It is home to several universities, museums, theatres, galleries and other important cultural and educational institutions. Many of Slovakia's large businesses and financial institutions also have headquarters there.

Professional flight school and flight training

Having naturally expanded its professional aviation services OPERA JET has been licensed to provide flight trainings (FTO).

The OPERA JET flight school provides flight trainings and theoretical education for a wide spectrum of applicants. The costumers are both, recreational pilots as well as future flight professionals. Thanks to a complex concept of the training programs we are able to tailor the training solution for every client.
